

# Building Approvals - NatHERS Assessors

NaTHERS and BASIX certificates are to be obtained by the Lot Owner as part of their design development as setout in Step 2 of the [Approval Pathway](#) described in the [NEV Building Standards & Guidelines](#).

Below is a list NatHERS Assessors located on the central coast. The NEV Co-Operative makes no recommendation with regard to any assessor listed and it is not mandatory for a Lot Owner to use anyone on the list. The list is provided for information only. If you have an assessor you can recommend to the Lot Owners please let us know:

| Company Name           | Contact                                                                                                                          | Description                                       | Web Address                                                                                                                                                                    |
